--From the foreword by Jack Canfield, co-author of *Chicken Soup for the Soul* .

If Children live with criticism, they learn to condemn, If children live with acceptance, they learn to love. Expanding on her universally loved poem, "Children Learn What They Live," which has nourished countless families since its initial publication in 1954, Dorothy Law Nolte offers a simple but powerful guide to parenting - by inspiring values through example. Addressing issues of security, self-worth, tolerance, honesty, fear, respect, fairness, patience, and more, this book of rare common sense will help a new generation find their own parenting wisdom and draw out their child's immense inner resources.
