The Book of John: A Bible Study & Commentary for Young Believers in Jesus Christ Richmond Shee "Read the Gospel of John," is the advice often given to young believers in Jesus Christ. Richmond Shee, a former Buddhist, received the same advice many years ago. In this book, he sets out to show the rich, three-dimensional nature of the Gospel of John, covering the historical, inspirational, and prophetic angles in each chapter, which are frequently revealed in pictures, types, and numbers.

He includes illustrations throughout to summarize truth in a simple, inviting way--something visual learners do not have with other commentaries. The book is also filled with verse cross-references, allowing the reader to dig deeper on any topic at any time.

The layout of each chapter serves as an example to the reader of how to systematically outline and study a book of the Bible. Get ready for a lively look at the Book of John.
