Brain Lesion Localization & Developmental Functions: Frontal Lobes, Limbic System, Visuocognitive System (Hardback) - Common Edited by Charles Njiokiktjien, Edited by Sara Bulgheroni Edited by Daria Riva

The aim of this publication is to demonstrate the effect of the neural networks on cognitive functions and behavioural patterns during the development phase of a child. Taking as a basis the previous publication in this series dedicated to brain lesion localisation and development, this time it is by examining in particular the frontal lobe, limbic system (hippocampus and amygdala) and visuo-cogni...
