Sharks: Amazing Pictures & Fun Facts on Animals in Nature (Our Amazing World Series) Kay de Silva

Bestselling children's author Kay de Silva presents "Sharks". The book uses captivating illustrations, and carefully chosen words to teach children about the 'fierce warriors the sea'. This series is known for its beautiful full-color images. The description in large text is simple enough for young readers or for a parent to guide a child through. There are also picture captions that provide more information to talk about with your child. Alternatively, a child of any age (even the child in you) can just look at the images and appreciate their beauty. This book depicts the wonder of the world of sharks in all its glory. Children are given a well-rounded understanding of these beautiful animals: their anatomy, feeding habits, and behavior. The following sharks are featured: * The swift Black Tip Reef Shark * The dangerous Bull Shark * The resourceful Hammerhead Shark * The feared Great White Shark * The stealthy Lemon Shark * The fanged Nurse Shark * The gentle Whale Shark * The deceptive Wobbegong Get this book at this special price exclusive to the Amazon Store. *** **Your child will love it - this is guaranteed.*****
