There are millions of people who have experienced and are experiencing unwarranted psychological and physical abuse from members of their own family /relatives. However, some like me were fortunate to encounter strangers who made me aware of the contrast of human behavior, and confirmed my belief that all mankind does not possess sinister thoughts that go into action as highlighted in this book. While it is understood that humans are not perfect, we must be cognizant that life is short and we should all be able to live our lives in peace, with happiness and love.
