In February 2013 while standing just a few strides from President Obama during the National Prayer Breakfast, Dr. Carson sounded an alarm to fellow Americans of the dangers bedeviling the country. He cited several issues but most significant, echoed for a return to the basic ideals that once made America a great Nation. Ben is a very honorable man who represents high ideals: faith, standing up for what you believe in, strong work ethic, perseverance, and no excuses. He is charmingly outspoken with rich and enviable American values. He is sincerely strong, soft-spoken but firm. For the over 29 years he has spent as a pediatric neurosurgeon, Carson has learnt how to effectively make life and death decisions with both confidence and speed. He is unquestionably intelligent, and invaluable fit to lead America.
