Pictures by Jeff Bridges

For more than twenty years, on dozens of film sets, Bridges has perfected his own photography, shooting between takes and behind-the-scenes with a Widelux F8 camera. This fascinating, surprisingly candid body of work began as a personal project, as he recorded the arduous, emotionally intense, evanescent work of the film shoot in books that were privately printed and given as gifts to cast and crew. These are not traditional “Hollywood” pictures, but rather—despite the costumes and lighting, the crowds of extras, the stardom of the subjects—pictures of friends at work. Taken together, the pictures act as Bridges’ personal and professional diary, with actors, directors, and crew appearing as coworkers, all equal participants in the job at hand.

With a foreword by Peter Bogdanovich and Jeff Bridges’ hand-written commentary and captions throughout, *Pictures* promises to be a rare and exciting publishing event, offering a vision of Hollywood that is both intimately human and formally beautiful.

Jeff Bridges’ proceeds from *Pictures* will be donated to the Motion Picture & Television Fund, a non-profit organization that offers charitable care and support to film-industry workers.
