Refuge: How Hospital Church Ministry Can Change Your Church Forever James Reeves

It doesn't happen every day that a book this timely is birthed and so experientially written. James Reeves has followed God's call to build a church that echoes Christ's call to everyone who is tired and weighed down. In this book, James calls your church to be a church that provides a place for rest. *Refuge* first emphasizes the benefits of a Hospital Church ministry, second the basis of why to change, third the basics of how to change, fourth the big issue all churches will face, and fifth and last beginning the change. If this book is adopted and championed by a congregation, it will see the change that Christ has called all churches to be.
