## **This House Of Sky** Ivan Doig

Ivan Doig grew up in the rugged Montana wilderness with his father, Charlie, and his grandmother, Bessie Ringer. He lived among sheepherders and the characters in small-town saloons and valley ranches as he tagged along with his restless father.

Doig puts us in touch with the land and its influence on us, also with ties to our family and those who shaped our values in the search for intimacy, independence and love.

"From this beautifully written, deeply felt book we recognize that other step toward the universal. The language begins in western territory and experience but in the hands of an artist it touches all landscapes and all life. Doig is such an artist." (Los Angeles Times)
