Bring Me the Horizon Jonny Tomahawk

What do Star Wars, Noah, Teenage Mutant Ninja Turtles, and tattoos have to do with investing? Everything. Master storyteller Jonny Tomahawk uses the experiences of everyday life to point to valuable lessons about how we all mismanage our wealth. **Bring Me the Horizon** quashes the status quo, and will force you to confront the very core of your beliefs by debunking the complexity of the investment world. Without an understanding of the basic, common-sense ground rules, we are all doomed to failure as investors. **Bring Me the Horizon** embodies the hope that, through the application and discipline of some simple tenets, you can live a happier and wealthier life. By demystifying the off-putting and often confusing jargon used in the world of investments, Tomahawk's sense of humour takes the fear out of entering a once-forbidding world. Ultimately, when it comes to your future, there's no time like the present. Isn't it time you took control?
