Small groups transform churches—and lives. Small group leaders often feel the weight of shepherding their small group members. But who shepherds the shepherd? Small group coaches fill a unique role by providing support and guidance for group leaders. When you're called to coach a small group leader in your church, your mind may be filled with questions: Am I godly enough? What do I have to offer? How do I begin? Although the challenge seems immense, Bill Donahue and Greg Bowman break down the work of coaching small group leaders into achievable steps. This expanded and updated edition offers field-tested and biblically supported advice on such topics as modeling a surrendered life to those you coach, gaining the tools and wisdom you need for coaching, and helping leaders grow spiritually. This workbook can be used as a stand-alone resource to train coaches, or it can be used with the training videos taught by the authors, available on the Equipping Life-Changing Small Groups DVD (sold separately). For those who want to coach with excellence and truly help small group leaders thrive, this go-to guide offers practical answers and inspiring examples. You'll find both challenge and promise in these pages as you learn to carry forth your God-given calling with confidence.
