Romance: Auctioned To The Wolf: BBW Paranormal Werewolf Romance Standalone (Wild Shifters Book 5) Ashley Hunter

Dangerously Sexy Werewolf+ BBW+ A Charity Auction+ One Jealous Stalker From The Past+ A Vicious Trap & An Upsetting Misunderstanding= One Hot, Howling & Thrilling Romance!

Young, ambitious and confident, Mischa has always believed that at twenty-three, she is cute and curvy. But, the prospect of standing with some of the most beautiful women in town and being auctioned off to a bunch of billionaires is only turning her stomach into a whirlpool of emotions.

No matter how nervous and unprepared she is for the auction, Mischa is now interested in getting inside the mind of the mesmerizingly sexy billionaire who's just won her. She also wants this stranger to get inside her, and she chides her excitable hormones for being so devilish.

The only problem is would things end as disastrously with this hunky beast as they had done with her egoistic ex-boyfriend?

Dashing, sexy and too hot to resist, Dillon Cole is here at the auction with only one thing in mind. This event promises a new and lucrative business opportunity, but he still wishes that he'd declined the invitation. Yet it only takes one woman on stage to give him a rewarding reason to enjoy the night.

The sudden urge to claim this feisty woman right here makes the workaholic billionaire very conscious of what he's actually doing. This is madness. He is letting the wolf part take over. As his inner wolf growls in lust, Dillon isn't sure if he can take this any further.

Can he even dare consider the impulse that this wonderful woman could be a potential life mate?

But, when a traitor from the werewolf's own pack, an obsessed ex, and a vicious trap stand in the way of their happily-ever-after, the tale just doesn't end at the auction...

In fact, Mischa will get to taste every bit of the howling lust and wild passion that come with being auctioned to the wolf!

Adults Only!
