In order to start the family he desperately wants, dragon omega Jonas has to reach out to an old college friend—the only alpha he knows—to complete his plan.

Jonas:

I want a baby, but not a mate. I'm getting too old to wait any longer.

The only alpha I know is Deacon—he's going to think it's weird to ask for this, and he might say no, but I have to reach out to him.

Deacon's being surprisingly good about this. I'd forgotten he wasn't like other alphas.

Pretending to be his mate seemed like a good idea, but now I'm falling in love with him and desperate for his company...

Deacon:

Jonas is exactly how I remember him—still headstrong, still a total pain, still beautiful.

If a baby will make him happy, who am I to say no?

It sucks that we have to pretend to be mated to make outdated people happy, but it'll make life easier for Jonas and the baby, too.

I forgot how in love with him I was in college, and now that he's pregnant with my baby, I can barely think straight.

I hope he'll come to feel the same way...

The Dragon Omega's Baby Plan is a standalone MM story about two college best friends, with steamy love scenes, Mpreg and a HEA ending!
