What would you do if your life was a lie—and everyone knew but you?

Jane has come a long way from the dark days of the horrific car accident that robbed her of many memories. Living the life of a shopgirl with a charming boyfriend—a handsome, green-eyed doctor named Derek—is so satisfying that she doesn't want to revisit her past.

But the past insists on revisiting Jane. People keep thinking she's Samantha, a dead girl who looks exactly like her. Now, Jane is determined to discover her connection to the girl, leading her to question everything from her relationship with Derek to her own sanity. Should she believe Rory, the man who insists she actually is Samantha? Or should she depend on Derek, who offers her love and shelter...but who may have other reasons for keeping her under wraps? Who is telling her the truth—and what are the others hiding?
