## **Combat Corpsman: A Navy SEAL Medic in Vietnam** Greg McPartlin **TRAINED TO HEAL . . . AND TO KILL**

All his life Greg McPartlin wanted to be a Marine corpsman, a medic skilled at saving lives. Three months of bagging-and-tagging bodies during Vietnam's Tet Offensive took the luster off of being a Marine but not off McPartlin's desire to serve his country.

After assisting in the sea recovery of Apollo 11 the first ship to bring men to the moon the twenty-year-old McPartlin was redeployed to Vietnam as an elite Navy SEAL. Barred as a medic from the make-or-break training of BUD/S considered vital to service as a Navy SEAL, McPartlin had to show he had what it took. But McPartlin had been in country before. In a war where you partied with your buddies in Saigon one day and crawled through an enemy-infested jungle hell the next, he proved that he was not only an outstanding medic but a real Navy SEAL the toughest of the tough.

*Combat Corpsman is McPartlin's often humorous account of his year in what had been a Viet Cong stronghold until the SEALs took control and Charlie placed bounties on the men with green faces. It's the first inside story of a Navy SEAL medic, a man who wanted to heal not to kill but did both to save lives.*
