Following the Good Shepherds Wallace F. Johnson

Who were the good shepherds that God chose to lead his people? If Moses first comes to mind, you are correct. But did you think about Gideon? What about Samuel and Isaiah? Or how about Ezekiel and Daniel? These great men of the Bible were all used by God to spread his message, though they may not all immediately come to mind. Wallace F. Johnson's fifty-two week devotional *Following the Good Shepherds* provides a new way of studying Old Testament characters, using unique, interactive methods such as thought-provoking study questions and role-playing activities for children. This devotional is perfect for families with young children looking to find their way to the Lord. When so many other recreational activities consume much of our time, finding time to study God's Word can often fall by the wayside. But now *Following the Good Shepherds* will make Bible study interesting while challenging readers to exemplify the characteristics of God's good shepherds themselves. This weekly study using the shepherd metaphor Jesus used to describe his purpose and mission in the world will give families many new insights from God's Word. Wallace uses the Living Bible and King James Open Bible translations as well as The New International Version, which readers will find easier to understand and follow along with. Journey along on the exodus with Moses and Aaron, experience for yourself David's battle with Goliath, and crawl into the lions' den with Daniel with no fear because *Following the Good Shepherds* will never lead you astray.

Mildred Kershner:

As a college student exactly feel bored in order to reading. If their teacher asked them to go to the library or even make summary for some guide, they are complained. Just little students that has reading's heart or real their passion. They just do what the trainer want, like asked to go to the library. They go to generally there but nothing reading very seriously. Any students feel that reading through is not important, boring and also can't see colorful photos on there. Yeah, it is to be complicated. Book is very important for you. As we know that on this era, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. So , this Following the Good Shepherds can make you truly feel more interested to read.
