Your One-Stop Guide To Passing The ISTQB Foundation Level Exam Foundations of Software Testing:  
Updated edition for ISTQB Certification is your essential guide to software testing and the ISTQB  
Foundation qualification. Whether you are a students or tester of ISTQB, this book is an essential purchase if  
you want to benefit from the knowledge and experience of those involved in the writing of the ISTQB  
Syllabus. This book adopts a practical and hands-on approach, covering the fundamental principles that every  
system and software tester should know. Each of the six sections of the syllabus is covered by background  
tests, revision help and sample exam questions. The also contains a glossary, sample full-length examination  
and information on test certification. The authors are seasoned test-professionals and developers of the  
ISTQB syllabus itself, so syllabus coverage is thorough and in-depth. This book is designed to help you pass  
the ISTQB exam and qualify at Foundation Level, and is enhanced with many useful learning aids. ABOUT  
ISTQB ISTQB is a multi-national body overseeing the development of international qualifications in  
software testing. In a world of employment mobility and multi-national organizations, having an  
internationally recognized qualification ensures that there is a common understanding, internationally, of  
software testing issues.
