How To Choose A Medical Specialty: Fifth Edition Anita D. Taylor

The latest edition of the seminal reference for premedical and medical students, this guide details every specialty and sub-specialty approved by the American Board of Medical Specialties, as well as emerging specialties. It includes personal insights from practitioners and questionnaires to allow students to identify the specialties that will suit them best. Also details the full range of clinical and non-clinical practice options, explains how to apply to medical and osteopathic residency programs, what to do if you don't match, and additional residency options.
