Introduction To HTML & CSS: Learn To Code Websites Like A Pro Danny Ajini
This book is an introduction to HTML5/CSS3. In this book I cover some of the important aspects to understanding the very nature of HTML/CSS, getting started with code, code editors, browsers and I also begin to introduce some advanced concepts which will prepare you for your next phase in website development. While there are a ton of free resources online which can help you learn HTML/CSS, this is the only one where I give you real-world examples, troubleshooting techniques, and other knowledge that you can only get through experience.
