Tanya Harter Pierce

This easy-to-read alternative treatment guide could save your life. Outsmart Your Cancer explodes the myths about alternative cancer treatments and explains why non-toxic methods are more effective than conventional ones. This second edition of Outsmart Your Cancer includes new chapters, an audio CD with inspiring recovery testimonials from cancer survivors, and an incredible amount of valuable information. Twenty-one different alternative methods are discussed along with real-life stories of people who completely recovered from a variety of advanced or late-stage cancers using alternative approaches. The book explains why alternative methods work better than conventional toxic treatments and presents details about the scientific basis for them, including the amazing formula called Protocol, which has produced incredible cancer recoveries over the past twenty years.
