Riddles For Kids Phineas T. Gildersleeve
Riddles For Kids

This book came about after I discovered a 100 year old book of riddles in very poor condition. Many of the riddles referenced topics current to that time period and would make no sense today to most kids.

All of them were written using words that are not frequently used today making them difficult to understand.

I painstakingly went through each riddle that I felt was timeless and rewrote it using modern day words.

The result is 160 of the funniest, cutest riddles your kids will ever read.

I hope these riddles will bring a smile to your kid's face just as the originals did 100 years ago to the children of those times.
