Spiritual Writings: A New Translation and Selection (Harperperennial Modern Thought)

Soren Kierkegaard, George Pattison

Spiritual Writings: A New Translation and Selection (Harperperennial Modern Thought) Soren Kierkegaard, George Pattison

“By far the most profound thinker of the 19th century” —Ludwig Wittgenstein <?xml:namespace prefix = o ns = "urn:schemas-microsoft-com:office:office" />

“Kierkegaard’s great contribution to Western philosophy was to assert, or to reassert with Romantic urgency, that, subjectively speaking, each existence is the center of the universe.” —John Updike, *The New Yorker*

Harper Perennial Modern Classics presents the rediscovered spiritual writings of Søren Kierkegaard, edited and translated by Oxford theologian George Pattison. Called “the first modernist” by *The Guardian* and “the father of existentialism” by the *New York Times*, Kierkegaard left an indelible imprint on existential writers from Sartre and Camus to Kafka and Derrida. In works like *Fear and Trembling*, *Sickness unto Death*, and *Either/Or*, he by famously articulated that all meaning is rooted in subjective experience—but the devotional essays that Patterson reveals in *Spiritual Writings* will forever change our understanding of the great philosopher, uncovering the spiritual foundations beneath his secularist philosophy.
