If the Bible were correctly categorized it would be found in the fiction section of our local book store. If Pinocchio or Cinderella were considered to be true accounts of history, imagine how insane it would be to believe in them. Thus you have an accurate comparison of the insanity of accounts noted in the Bible. God created our sexuality for us to enjoy as well as use for procreation, therefore, it is a God given gift as well. This book is intended to brainwash you into knowing the truth about God, the evil behind organized religion and the falsehood of sexual shame. We all need a good brainwashing since our brains have been so polluted from the information that has been taught to us by church and state. Someday we will look back at ourselves and realize that we are now living in the dark ages. I hope you read this book with an open mind and learn to decide for yourself what God you choose to believe in and use the knowledge that I have provided to help you enjoy your sex powers and invite God into your life, as well as your bedroom.
