The Caroline Turpin Sampler: A Reproduction Sampler Pattern Susan Bradford

This pattern is a reproduction of an American Frontier sampler stitched in 1864. The reproduction by Susan Bradford was taken directly from the original sampler that was stitched by young Caroline Turpin at age 11 years. Caroline met an untimely death not long after completing her sampler. The pattern is published here in a larger scale for ease of reading. Along with the pattern there is a brief history of the family of Caroline Turpin beginning with the arrival of her ancestors in Virginia.
