**The secret of the secrets- The path to financial & spiritual success** Djoko Putranto

This book reveals the secret of success from the point of spiritual masters view and scientific view, as the content follows below :

## Chapter I: Law of Universe and its polarization

This Chapter is started with three Laws of Universe:

1. Law of Creation (Creation Regulation), Evolution and Time;
2. Law of Justice;
3. Law of Resonance (Resonance Regulation).

We then discuss about life under the topics of:

1. Creation Process of Universe and Men
2. Human Needs
3. The raising of Human Needs Process
4. Health as one of the basis in achieving and enjoying success
5. Future prospects of nature and men

We will discuss these topics both from point of Spiritual Masters' views who have mastered the law of Universe and of scientific point of view.

This discussion will lead us into wide comprehension of the Mystery of Life. We will also find the similar and different point of views between Spiritual Masters and of Scientists.

## Chapter II: Path to Financial Success

We will discuss about techniques in exploiting the law of Universe to achieve success and enjoy life. We will discuss respectfully the following topics:

1. Definition of success
2. Path to success
3. Obstacles or inhibitions to success
4. Technique to accelerate success
5. Technique to improve health as one of the basis in achieving and enjoying success

In this chapter we will learn how a man has achieved his success and the reason somebody has failed. Success and failure of those men can be taken as lesson learned for us.

## Chapter III: Path to the Highest

We will discuss about Long journey, Intention to be still as human being ,intention to continue the journey ,what are needed and what are to be disposed of , technique to dispose of unnecessary things , how to choose appropriate path , the necessity to have Master and how to get a Master.

## Chapter IV: Practice

In this chapter we will discuss in detail about the practice on auto suggestion which can provide a short/fast way to success. The following discussion will be carried out about meditation practices comprising Consciousness, Breathing, Eye and Sex. These various practices are used as means of way to the Highest and means to improve health.

## Chapter V: Question and Answer

We try to provide the answers to the questions that have been raised-up in the previous chapters. It is expected that the readers would be able to answer these questions.
