**The World from a Spiritual Perspective: A Collection of Insightful Essays from Aish.com** Benjamin Blech

Over the course of many years writing for Aish.com, I commented on a wide range of topics – from movies to Bernie Madoff to Tiger Woods to the killing of Osama bin Laden – as well as a host of other major and minor noteworthy events. What connects these essays is nothing less than Judaism. And that’s because for me Judaism means looking at the entire world through the lens of a divinely ordained perspective known as the Torah. Judaism isn’t just a religion that teaches us how to relate to God. It’s a way of life that is meant to make us wiser, more contented and better people. This collection of essays explores the how viewing the world from a spiritual perspective can uncover new avenues of understanding and elevate our daily lives.
