## **Anthropology** William A. Haviland

Far and away the market-leading text, Haviland's ANTHROPOLOGY, 9/e is the standard in the field. It offers a straightforward and thorough presentation of the principles and processes of anthropology, both physical and cultural, including ethnology, linguistics, and prehistoric archaeology. By integrating research and ideas from several schools of thought, it reflects current scholarship and remains the most engaging text available due to its lively, accessible writing style and vivid illustrations.
