Deadly Arrangements (Book Two in the Cozy Flower Shop Mystery Series) (The Flower Shop Mystery Series 2) Annie Adams

All florist Quincy McKay wants is success in business, a happy family and the perfect romance with Alex Cooper, the hottest cop in the state. Not necessarily in that order, of course. Is that so much to ask?

The trouble is, between Alex's job and planning weddings, it's getting harder and harder for Quincy and Alex to find any time to themselves. Every time the flames of passion ignite between them, someone or something shows up to fizzle the fire, including her meddling mother, her formerly absent father and even Elma, the handsiest waitress in the West.

Wedded bliss is contagious in small town Hillside. Should be great news for Quincy, except that one groom is missing and another is the prime suspect. Hard for a florist to make a living that way, and even harder for her to stay out of the investigation, especially when the suspect is her sidekick, K.C.'s fiancé.

Just when she thinks nothing else could go wrong, a ghost from Alex's past comes back to haunt them both, which could keep them apart forever, if someone doesn't kill Quincy first. She's stumbled into the clues to solve the case of the missing groom and finds a corpse as well, proving that planning a wedding can literally be murder.
