God's Solution to the Doubting Dilemma Gordon Kainer

Are you facing doubting dilemmas that challenge you, doubts you find extremely annoying, the kind that are messing up your Christian life? Do you want to discover real solutions that are biblical, effective, and easy to understand? If the answer is yes, then this book offers the answers you are seeking! Readers will discover the reasons why believers in Christ, like everyone else, have doubting quandaries about such significant topics as God, the Bible, especially the story of creation. In presenting the only effective solution that comes through God's grace, this book will unveil the intimate relationship between heaven's rebellion and the creation event. It will also reveal why there is such an aggressive, present-day effort to present the creation story as a myth or parable rather than a literal, historical event.
