As we look around in the world, we realize that there aren't many great examples of Godly women. The world glorifies everything that is contrary to the Bible, telling us that this is how we are supposed to live our lives. Unfortunately, the bad examples are the examples that many of our women both in the church and outside of the church tend to be drawn to. Our women are taught that promiscuity is the norm, fornication is fun, adultery is acceptable, marriage is overrated, submission is slavery, homosexuality is magnified and godliness... what's that? This is the mindset of our generation. This book includes a collection of writings from different women, with unique stories, experiences, and identities. None of these women are perfect, for we have all sinned and have fallen short of His glory. Therefore, this book will not contain perfect stories, from perfect women; it will contain stories from imperfect women who were saved by a perfect God. The testimonies of these women prove that there is power in the blood of Jesus Christ, there is power in the cross, and that His names saves.
