Will beauty tame the beast? Diego Acosta's polo-playing days are over. Living in self-imposed exile on his island idyll, he finds his nights are now filled with tormenting memories rather than the beautiful women who once graced his king-sized bed. When Maxie Parrish crashes into his solitude, radiating exuberance and a love of life, she burns so brightly he can't take his eyes off her! He'll seduce her and conquer her with the same single-minded determination that saw him rise to the top of the world polo circuit. Only this time he'll make sure he walks away without scars...
