## **What is The I Hate My Job Cure about**

**Read on your PC, Mac, smart phone, tablet or Kindle device.**

You're about to discover how to...

Set yourself up for success before you tell your boss to **SHOVE IT!** and make the transition as easy as it can be. This does not mean everything will fall in your lap right off the bat but it will certainly be a lot easier than if you just went off halfcocked and didn't have the foundation laid for your transition, you will still have to work and sometimes even work harder than you have as an employee but the rewards are amazing!

A home entrepreneur is defined by who he is tomorrow and not who he is today. As a visionary, he always looks forward to the future by considering his goals in every action and decision, weighing the long-term benefits against instant but temporary results and putting his one foot forward even before he clearly see the road ahead. As you enter the world of home entrepreneurship, you have to be fully prepared before you spend your time and money on your venture. You will have to perform a lot of research and inquiries, and unfortunately, there are no shortcuts to being prepared.

How to choose a business have you ever seen a business and thought "hey I should do that" only to find out later that business takes all kinds of licensing, certifications and a degree from Harvard to start. The I Hate My Job Cure walks you threw the best ways to research a niche before you ever invest any real time or money,give you the best places to find the info, and even some programs that will help aid you in your quest.

## **Here Is A Preview Of What You'll Learn...**

- How to choose a business that is right for you
- How to create a vision and mission for your new venture
- How to write your business plan
- Where to find employers that will let you work from home
- How to schedule your work day

- Much, much more!
