Note: This short gay romance contains hot gay m/m sex scenes.

Happy ever after. Three little words shouldn't have to be so difficult.

After Andy and Cody get “caught in the act” by Cody’s father, Cody finds himself without a home, and both men find themselves unemployed.

As they try to build a life together, the pressure of being everything and everyone in Cody’s narrowed world presses down on Andy. In addition, all of Andy’s career plans are going up in smoke—and Cody holds himself responsible. Lost dreams and lost family could easily prove to be too much.

Trust. Patience. Faith. Forgiveness. Will the two men find enough of each to walk through fire and come out still holding hands? If so, they’ll have truly earned their happy ever after.

If not, both men will bear the scars of a beautiful love gone horribly wrong.

*Book 5 of the Where There’s Smoke Series. Each book is a **short story** which can be read simply to enjoy the sex scenes, but the story itself is a **serial**, spanning six books.
