#### Planet sEX

Lisia is chosen for her great beauty to serve in Aphrodite's Temple on Planet Ex. In exchange for her loyalty, she is granted anything her heart desires. What Lisia wants is Dayton. Unobtainable on Earth, he is recreated as a droid to service her needs on Planet Ex.

Lisia is thrilled with her man-toy and enjoys his full attention and absolute obedience to slaking her uninhibited desires. But alas, he is not real. Dayton, though a well-crafted piece of machinery, is cold comfort to the hot-blooded Lisia. So, what a pleasant surprise she gets when her man-toy suddenly becomes all that she desires...and more.

#### Observation Deck

Holly and her co-workers' covert mission is to study Planet Geor and its inhabitants. The tribe situated right outside their observation deck consists of about fifteen primitive, beautiful, and lusty males and females. The crew has trouble focusing on their work with so many enticing distractions going on outside.

Finally overcome by her urges, Holly decides to sneak outside naked and join the tribe in their nightly orgy, but when she attempts to return to the station, she realizes the door is locked. Will the rest of her mission be jeopardized because she gave in to her lusty desires?
