FACT-BASED

You can find opinions about Islamic doctrine in the main stream media, but no facts. That is because they do not study the only foundation of knowledge about the true nature of Islam- Mohammed and Allah. This self-study course is based on three of the Islamic source texts: the Koran, the Sira (biography of Mohammed) and the Hadith (his traditions). If your knowledge comes from these original texts, it can be verified and your understanding is on firm ground.

SECRETS REVEALED

The Koran and all Islamic texts are difficult to read by design. But, when the artificial language is stripped away and replaced by simple English, the results are astounding. We learn that the Islamic ethical system is based on dualism-one set of rules for Muslims and another set of rules for non-Muslims (Kafirs). We find out that Mohammed was a slave trader, an abuser of women and a warlord. Islam as a religion was a failure. Only when Mohammed turned to jihad and politics, did he have any success.

A THREE LEVEL SELF-STUDY COURSE

The self-study course covers fourteen different topics about Islam from three different views. Each level can be read on its own, but there is a progression of information. This course will end your confusion about Islam. You will understand what underlies the events in the Islamic world and what this means for our civilization. This book is level 3.
