## The Slayer (Legend Chronicles) Theresa Meyers

*Brothers Winchester, Remington and Colt know the legends--they were trained from childhood to destroy demon predators, wielding the latest steam-powered gadgetry. It's a devil of a job. But sometimes your fate chooses you. . .*

### CHASING TROUBLE

Winn Jackson isn't interested in hunting nightmares across the Wild West--even if it's the family business. Unlike his rakehell brothers, Winn believes in rules. As sheriff of Bodie, California, he only shoots actual law breakers. That's what he's doing when he rescues the Contessa Drossenburg, Alexandra Porter, a lady with all the elegance of the Old World--grace, beauty and class. And then he sees her fangs.

Alexandra isn't just some bloodsucking damsel in distress, though. She's on a mission to save her people--and she's dead certain that Winn's family legacy is the only way. Luckily, aside from grace and class, she also has a stubborn streak a mile wide. So like it or not, Winn is going to come back with her to the mountains of Transylvania, and while he's at it, change his opinions about vampires, demon-hunting, and who exactly deserves shooting. And if she has her way, he's going to do his darnedest to save the world. . .
