Why Does He Do That?: A Positive Parent's Guide to Understanding the Autism Spectrum (Positive Approaches to ASD Book 1) Stella Waterhouse

Is your child on the Autism Spectrum?

Is his or her behaviour puzzling at times?

If so this is the book for you.

Aimed at busy parents this book looks at the difficulties children with Autistic Spectrum Disorder (ASD) have, including some of the less well know like the sensory problems and anxiety; exploring the effects these have on the child's life.

Review

I would really recommend this book, both to parents who are new to aspergers, and to those who have experience of the condition. It has introduced me to aspects I had not previously come across such as exposure anxiety and hyperacusis. All topics are covered clearly and with great insight.

Karen Wright
