Edward Stewart

Ballerina: A Novel Edward Stewart

Before *Black Swan*, there was *Ballerina*: Edward Stewart's acclaimed novel that follows two young women into the cutthroat world of professional dance

Stephanie Lang and Christine Avery meet in ballet school. Although they share the same dream—to become great dancers—they could not be more different. Ballet is in Stephanie's blood; her mother, Anna, is a former dancer who lives to see her daughter achieve the fame she herself never attained. Christine has lived a sheltered life, secure in the love of her family. But her privileged upbringing conceals a devastating secret.

Two teenage dancers, one chance to make it. From the thrill and terror of auditions through years of meticulous training to landing a coveted spot in a professional company, Stephanie and Christine relentlessly pursue their ambitions. As they give their all to dance, they become inseparable—until they are torn apart by their passion for the same man, a brilliant Russian dancer whose seductive, mercurial temperament will have unforeseen consequences for them all.

From reader reviews:

Hal Clemens:

The reason? Because this *Ballerina: A Novel* is an unordinary book that the inside of the book waiting for you to snap the idea but latter it will distress you with the secret that inside. Reading this book beside it was fantastic author who write the book in such wonderful way makes the content interior easier to understand, entertaining method but still convey the meaning completely. So , it is good for you because of not hesitating having this nowadays or you going to regret it. This excellent book will give you a lot of gains than the other book include such as help improving your proficiency and your critical thinking technique. So , still want to hold up having that book? If I were being you I will go to the e-book store hurriedly.

Heidi Montgomery:

Playing with family in the park, coming to see the marine world or hanging out with friends is thing that usually you may have done when you have spare time, in that case why you don't try issue that really opposite from that. 1 activity that make you not feeling tired but still relaxing, trilling like on roller coaster you are ride on and with addition info. Even you love *Ballerina: A Novel*, you are able to enjoy both. It is good combination right, you still want to miss it? What kind of hang type is it? Oh can occur its mind hangout guys. What? Still don't get it, oh come on its identified as reading friends.

Manuel Porter:
