## **The War That Never Was** Michael A. Palmer

Set in the year 2000 as a retrospective look at the Cold War gone hot in the last years of the 1980's , The War That Never Was is an insightful, fast paced assessment of the two superblocs colliding at the peak of their Cold War strength.

The story, told by the fictional Russian naval officer Yuri Sinsukin, runs from beneath the frigid waters of the Norwegian Sea to the sunny shores of the southern Mediterranean, from the deep Pacific waters off the coast of Japan to the airfields around Cam Ranh Bay, and from isolated Diego Garcia to the edges of the Red Sea. It involves every class of ship, submarine, aircraft, and fighting unit from the navies, armies, and air forces of the world.

Palmer demonstrates tremendous vision as he creates global war in intimate and exciting detail. In addition, Palmer looks at the war that was -- the Cold War, and through the vehicle of the The War That Never Was provides a logical and comprehensive explanation for the seemingly sudden collapse of the Soviet Empire. With solid historical background and complete with maps, The War That Never Was presents a grim yet fascinating look at a future that never happened.

#### **Samual Larkin:**

This *The War That Never Was* is brand-new way for you who has intense curiosity to look for some information given it relief your hunger info. Getting deeper you on it getting knowledge more you know or else you who still having tiny amount of digest in reading this *The War That Never Was* can be the light food to suit your needs because the information inside this kind of book is easy to get by simply anyone. These books build itself in the form that is certainly reachable by anyone, sure I mean in the e-book contact form. People who think that in book form make them feel sleepy even dizzy this reserve is the answer. So you cannot find any in reading a guide especially this one. You can find what you are looking for. It should be here for anyone. So , don't miss the idea! Just read this e-book kind for your better life in addition to knowledge.

#### **Harold Smith:**

As a pupil exactly feel bored to reading. If their teacher expected them to go to the library or to make summary for some publication, they are complained. Just small students that has reading's heart and soul or real their leisure activity. They just do what the trainer want, like asked to go to the library. They go to right now there but nothing reading critically. Any students feel that studying is not important, boring and also can't see colorful pics on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. So , this *The War That Never Was* can make you sense more interested to read.
