Archangel of Sedona Tony Peluso

At the site of a world-famous architectural marvel located in the heart of the mystical red rock country surrounding Sedona, Arizona, a young college student encounters an ancient secret that holds the key to the origins of the universe. Haunted by his epiphany over decades, unexplainable—almost miraculous—events overtake him, until he has a revelation that compels him to go on a dangerous quest to resolve the mystery. Archangel of Sedona documents the personal story of Tony, a veteran integrating his combat experiences with his metaphysical awakening in the Red Rock's atmosphere of infinite space and boundless silence. His hero's journey through both beauty and danger combines mystery, adventure, and spiritual discovery. There is no serendipity.
