For the Spring 2014 issue of STUDIOS, we're talking all about repurposing! We'll show you amazing repurposed studios in a former wagon house, sausage factory, garage, farmhouse, and more. We'll also introduce you to Elisa Cavani, an Italian designer who transforms abandoned objects into beautiful and functional art and decor pieces. You'll read about creative and inexpensive ways to build a studio from repurposed items and discover an easy repurposed furniture project for designing a studio on a budget. Creative coach Mary Edwards discusses how to use goals and measurements in your art business, and artist Katy Svehaug gives helpful tips for effective time management. Spend the day with mixed-media artist and product designer Tim Holtz, and, as always, be inspired by the creative spaces of all types of artists and makers, including painters, fiber artists, jewelry makers, and more!
