## **Everything Starts With a Dream. The motorcycle diaries.** Weronika Kwapisz

Weronika Kwapisz wants to inspire us to travel thanks to her fascinating motorcycle adventure around Europe. It is hard to believe that this petite blond traveled 12,000 km on a small 125cc motorbike, which most would liken with a tiny moped for the postman rather than an adventure motorcycle. But as Weronika demonstrates – to want is to succeed. “Everything starts with a dream” will lift your spirit for adventure and spark a desire to part with your job at least for a moment. The writings of this book prove that spontaneous events and unexpected road changes strengthen the human spirit, teach us to happily accept surprises, and love every kilometer of the journey. After reading this book, more than one person will turn their computer off and ride their motorbike to feel the wind in their hair and to see the world with their own eyes and not just on the screen. As it turns out, the decision is the hardest part of the process. When we make the first step, we begin to take part in the biggest life adventure and the road itself becomes crystal clear.

Weronika Kwapisz (1985), Polish social psychologist, actress, columnist, and traveler. A lady who likes to infect others with her passion. For her, nothing is impossible because as she says: “Dreams exist to make them come true”.
