I'm so excited to have been invited to participate in the Amazon Publishing Kindle Worlds program! This is my first foray into fan fiction or as it's referred to worldwide, Fandom! It's been an exciting adventure and through the magic of fiction, and thanks to the wonderful Four Weddings and A Fiasco series created by Lucy Kevin aka Bella Andre, I got to revisit one of my favorite places, the San Francisco Bay Area! I hope you enjoy my debut contemporary novella, The Wedding Toast. (Cover art by Rae Monet, Inc.)

Fans of the series will get to see appearances by Rose, RJ, Phoebe and Patrick.

Recovery takes on new meaning when the Rose Chalet, wine, and weddings are in the picture. Heather Bowman finds herself in romantic San Francisco on an assignment that suddenly involves more than nursing. Scott Denafrio, the reluctant patient, starts to see recovery in a new light. From the moment they meet Heather feels the zing her mother has always told her about. But is this special feeling enough to make her stay? Can Scott convince her to follow her heart? The electricity of true love is sending currents through the air from the lush vineyards of Napa to the storied California Coast.
