## **Through the Children's Gate: A Home in New York** Adam Gopnik

Not long after Adam Gopnik returned to New York at the end of 2000 with his wife and two small children, they witnessed one of the great and tragic events of the city's history. In his sketches and glimpses of people and places, Gopnik builds a portrait of our altered New York: the changes in manners, the way children are raised, our plans for and accounts of ourselves, and how life moves forward after tragedy. Rich with Gopnik's signature charm, wit, and *joie de vivre*, here is the most under-examined corner of the romance of New York: our struggle to turn the glamorous metropolis that seduces us into the home we cannot imagine leaving.
