A Feast of Blood (John Sinclair - Episode 4) Jason Dark

She had no more than one or two days left to live. She could feel it. The agonizing pain in her throat, the blinding headaches... there wasn't much time left. She had tried everything, absolutely everything, and the only thing that could save her now was a miracle...

When the Lady Laduga is sentenced to death in 1722, she makes a pact with a mysterious stranger... a pact that will grant her eternal life. But there is a price to pay. Three-hundred years later, her ancient evil awakens and a small town in England is plunged into a blood-soaked nightmare.

Detective Chief Inspector John Sinclair works for Scotland Yard's Special Division, an elite unit that deals with extraordinary cases. DCI Sinclair is a battle-hardened veteran of Afghanistan, a man haunted by the past. He's never forgotten the horrors of war, but what he encounters in the village of Hillside is an evil far beyond anything he could possibly imagine...

"John Sinclair" is a reboot of Europe's longest running horror series. Originally conceived in 1973 and still running strong, the "John Sinclair" novellas are firmly rooted in the finest pulp traditions, true page turners with spine-tingling suspense, exquisite gore and a dash of adventure. "John Sinclair" combines the dark visions of Stephen King, Clive Barker and the "X-Files" with the fast-paced action and globe-trotting excitement of James Bond.
