For readers who like historical fiction with a little romance.

It seduces her like a lover; it bewitches her like a spell. It is something mysterious and powerful that Darcy McBride must follow beyond the cliffs of Kerry. Ireland in 1755 is a terrible place, ravaged by famine and the brutal occupation of the British. There seems to be no escape. Darcy joins a group of smugglers who trade illegally with the French and when their operation is discovered, she is transported to the English Colonies for servitude. Shattered by war and bloodshed, Darcy finds the colonists on a feeding frenzy of survival. She refuses to be devoured and meets them with determination and fire stopping them in their tracks. When she confronts the brash and attractive Jean Michel Lupe', a surveyor for the Crown, sparks fly, and Darcy meets her match. His blend of refinement and frontier masculinity unsettles and entices her. Together, they are swept into a whirlwind of violence and intrigue that threatens their love and their survival.

Once again, best-selling author Amanda Hughes splashes the pages with gritty adventure and love stories about audacious women in the 18th and 19th Century. Her page-turning tales will keep you on the edge of your seat as you take wild rides through dramatic and dazzling periods of history.

"As he stepped out into the pouring rain, Jean Michel had to regain his composure. He was not sure he liked the feelings that were churning inside him. This McBride woman had the ability to reach into his soul and open doors he thought were closed forever. She ignited a desire in him that was beyond anything he had ever imagined. Confused and overwhelmed, he blamed it on long months without carnal pleasures, and pushing it from his mind; he started down the path for the McDermott homestead."
