Brandilynn Payson has been through some tough times since dying, and she's ready to take a break from the drama of the paranormal world. Unfortunately, time has run out on her tense ménage with vampire Tristan Keith and fellow ghost Dan Saling. It's time to pick her one-and-only, and Brandilynn is distraught that she will have to lose one of the men she loves. Adding to the heartache, a new threat has come to Fulton Falls. Norms and paranormals alike are being attacked by an unknown menace and turned into zombies. Ghosts are disappearing all over the netherworld. The mystery deepens as a devoted friend betrays her. Then the man she thought she could always count on turns his back on her. And when Brandilynn faces off with an ancient evil that leaves no survivors, she becomes the one thing she fears most. Warning: Sexually explicit scenes and adult language may be offensive to some readers. This book contains BDSM elements of questionable consent, bondage, spanking, and Dom/sub play.
