The Garden Intrigue: A Pink Carnation Novel Lauren Willig

Lauren Willig's Pink Carnation novels have been called "fun [and] fresh" (*Kirkus Reviews*) and "clever and playful" (*Detroit Free Press*). Now she introduces readers to a mismatched pair who find passion in the most astonishing of places...

Secret agent Augustus Whittlesby has spent a decade undercover in France, posing as an insufferably bad poet. The French surveillance officers can't bear to read his work closely enough to recognize the information drowned in a sea of verbiage.

New York-born Emma Morris Delagardie is a thorn in Augustus's side. An old school friend of Napoleon's stepdaughter, she came to France with her uncle, eloped with a Frenchman, and has been rattling around the salons of Paris ever since. Now widowed, she entertains herself by holding a weekly salon, and loudly critiquing Augustus's poetry.

As Napoleon pursues his plans for the invasion of England, Whittlesby hears of a top-secret device to be demonstrated at a house party. The catch? The only way in is with Emma, who has been asked to write a masque for the weekend's entertainment. In this complicated masque within a masque, nothing goes quite as scripted—especially Augustus's unexpected feelings for Emma.
