Could the road to the afterlife be a two-way street? After diving into Derek's world in books #1 and #2, readers are in for more spooky, sinister adventure in this latest installment.

Derek didn't ask for this.

It's bad enough that his brother's body is hosting a dead soul. Then there's that whole business of the evil dead waging war. And don't even get him started on all the weird voices rattling around inside his head.

But like it or not, the war is on. The Legion is back in full force, and they're heading for the mysterious, long-abandoned Red House. It holds a secret that could change everything.

Derek doesn't know what they're after --- but he knows he has to find it first.
