WMB 3D Magazine: World's Most Beautiful #1

WMB 3D Magazine: World's Most Beautiful #1

World's Most Beautiful (WMB 3D) is the first commercial magazine entirely photographed and designed in 3D. We capture the most beautiful people, places, products, and fashion on the planet, and bring them closer to you than ever before. Unlike other publications who have used 3D as a one-time gimmick, every page of our magazine is actually in 3D, from cover to cover, including the ads. It's an unprecedented, completely immersive 3D viewing experience.

WMB 3D is the collaboration of celebrity photographer Nick Saglimbeni and business mogul Howard Misle. The entire magazine was photographed using the Saglimbeni3DTM camera system, designed by Nick Saglimbeni. Each page features eye-popping 3D images and layouts-even the text jumps off the page. Universal red-cyan anaglyph glasses, easily found anywhere in the world, are required to view the images in 3D. Glasses are also available at WMB3D.com.

In an effort to make the world even more beautiful, a portion of profits from each issue will be donated to a different charitable cause.

This Limited Edition Issue ships NEW and contains 200 pages (100 pages in 2D & 100 Pages in 3D) and 2 pairs of WMB 3D Paper Glasses.

INCLUDES: Kim Kardashian, Melanie Iglesias, Sonia Vera, Mercedes-Benz SLR McLaren, Exploring Italy, and more!
